Hi [Ex. 6 - Personal Privacy] Can you send Abby and me your draft before it's sent out? I did have one question after the site visits yesterday. Where is Kelly planning on meeting the Administrator? Will the meeting be at the Savoia or FICO? If FICO, she will be competing with the Italian delegation and the business leaders for the Admin's attention. It might be better to have a more focused introduction at the Savoia and then travel with the motorcade to FICO. I don't know what you have planned since it's not specific in the schedule.

Thanks [Ex. 6 - Personal Privacy]

Hili don't know how far along the BM clearance are, but please add that the dress code will be cool business casual, as there isn't much air circulation. Comfortable flats would be appropriate. Our guide Barbara said the event will be shorter...people can tour during the bilateral meeting. Right now there is nothing for Kelly to tour, so she can head back to Rome a bit earlier.

FICO is a cavernous cement work in progress. The Italians will bring in tables and trees. The outdoor area is secure, but dusty and under construction.

I still can't attach photos on my iPhone, but sent [Ex. 6 - Personal Privacy] pictures via text
